

Overall Grade: 4**4**Edexcel 1–9 grade based on your performance across all five topic areas.
17 / 30 marks (57%)**Topics flagged as difficult:** Ratio and proportion.

TOPIC BREAKDOWN

Number**8**

Fractions, percentages, standard form, surds and reverse percentages.

5 / 6 marks — 83%

Algebra**3**

Equations, sequences, quadratics, completing the square and algebraic fractions.

2 / 6 marks — 33%

Ratio & Proportion**3**

Ratio, speed and distance, direct and inverse proportion, compound interest.

2 / 6 marks — 33%

Geometry and Measures**6**

Area, perimeter, angles, trigonometry and circle theorems.

4 / 6 marks — 67%

Probability & Statistics**6**

Probability, averages, tree diagrams, histograms and cumulative frequency.

4 / 6 marks — 67%

TOP 3 PRIORITY AREAS

1 Algebra**Grade 3 — 33%**

- **Quadratics** **Higher** — Needs focus
- **Solving Equations** **Foundation** — Developing
- **Sequences** **Foundation** — Developing
- **Algebraic Fractions** **Higher** — Needs focus

2 Ratio & Proportion**Grade 3 — 33%**

- **Compound Interest and Growth** **Higher** — Developing
- **Speed, Distance, Time** **Foundation** — Needs focus
- **Ratio and Proportion** **Foundation** — Needs focus
- **Direct and Inverse Proportion** **Higher** — Needs focus

3 Geometry and Measures**Grade 6 — 67%**

- **Circle Theorems** **Higher** — Developing
- **Area and Perimeter** **Foundation** — Developing
- **Trigonometry** **Higher** — Developing
- **Angles** **Foundation** — Developing
